**Hollywood, Florida** – Celebrating the culmination of their exhilarating fifth year anniversary, Jubilee Dance Theatre (JDT) will be appearing for the first time at the **Hollywood Central Performing Arts Center, 1770 Monroe Street**, Friday, June 20 and Saturday June 21, 2008 at 7:30 pm. **General Admission: Adults: \$20, Student/Senior: \$18, Child under 10: \$15; Groups of 15+: \$15.**

The performance will include audience favorites such as: *Risen*, *Long Journey Home*, *Empty Room*, and the company's signature piece, *Out of the Box*, as well as the premiere of several new works: *Full Circle*, an ensemble work which celebrates the season of life...the beginning, middle and end, as everything in time comes to completion; *Miz Zéri*, a stolen loss of innocence, buried in gossip and disbelief, a family's deepest secrets exposed for all to see; and *Deception*, the challenges of balancing misconceptions, with personal expectations, as relationships evolve throughout one's lifetime. Also premiering will be *Seeking* and *Shadows in the Sand*, part of an exciting new collaborative effort with both the *Write-Side Poets* and the inspiring works of world renowned artist **Jonathan Green**. "The performance was like the beauty root of the living great oak tree." – Jonathan Green

Jubilee Dance Theatre introduces "**Junior Jubilee Children's Ensemble**" (Jr. Ensemble). This young energetic group of dancers will perform from their repertory *Listen* and *Breathe*. Also debuting to the stage will be our recently established partnership **H.A.N.D.Y.**, which is a unique organization, providing a lifeline for the abused, neglected, disadvantaged youth in Broward County; will perform, *Taking Control Just for You*.

Jubilee Dance Theatre was founded in February 2003, under the direction of Lucricia "Lu" Welters, whose vision was to develop a style of risk-taking choreography that would be innovative and unique. This multicultural company's main focal point is to encourage and educate its audience through entertainment; bringing awareness about political, social and poignant issues by working with dancers from all backgrounds and cultures. Claudine Carter-Pereira, Assistant Artistic Director, has also been part of this vision since 1999. They both defy stereotypes by thinking outside the realms of the traditional dance theater; telling a story through movement, from the inside out.
